### Updates

Please note that updates have been made to the General Assistance Ordinance, Appendix A and Appendix C. A discrepancy was discovered in the calculation of certain maximums and MMA has corrected and updated those appendices. Please use the corrected and attached documents for determination of General Assistance eligibility.

## **MMA GA Model Ordinance**

The enclosed Maine Municipal Association (MMA) GA Model Ordinance has been updated as of September 3, 2021, for use by your municipality. This new ordinance, **once adopted by Municipal Officers**, will replace any existing GA Ordinance used by your municipality. Unlike the Appendices, you are not required to adopt the updated MMA Model Ordinance, though you are strongly encouraged to do so as it contains the most current information regarding General Assistance law.

## **Appendix A – H**

The enclosed Appendices A – H have been revised for your municipality’s General Assistance Ordinance. These new Appendices, **once adopted**, should replace the existing Appendices A – H. Even if you are not updating your GA Ordinance, **the municipal officers must approve/adopt the new Appendices yearly**.

## **The Adoption Process**

The **municipal officers (i.e., selectpersons/council) adopt the local General Assistance Ordinance and yearly Appendices**, even in town meeting communities. The law requires that the municipal officers conduct a **notice and hearing** prior to the adoption of the Ordinance and/or Appendices. Seven days posted notice is recommended, unless local law (or practice) provides otherwise.

At the hearing, the municipal officers should:

- 1) Allow all interested members of the public an opportunity to comment on the proposed ordinance;
- 2) End public discussion, close the hearing; and
- 3) Move and vote to adopt the ordinance and/or appendices either in its posted form or as amended in light of public discussion.

## **Municipalities May Establish Their Own Maximums**

Municipalities may establish their own maximum levels of assistance provided that the proposed levels of assistance are reasonable and meet adequate standards sufficient to maintain the health and safety of applicants in the municipality. The municipality must submit to the Department documentation to justify these levels of assistance and verify that the figures developed are appropriate to maintain health and decency.

A municipality’s maximum assistance level for Food may not be below the Department provided figures which are issued by the USDA and published annually following a study of cost of food for various family sizes. A market basket survey may be used to establish food maximums if the maximums provided by the USDA are insufficient to maintain health in the municipality.

### **Filing of GA Ordinance and/or Appendices**

Please remember that General Assistance law requires each municipality to send DHHS a copy of its ordinance once adopted, should that ordinance differ from the MMA Model. Any changes or amendments, such as new Appendices, must also be submitted to DHHS. DHHS will accept the enclosed “adoption sheet” as proof that your Municipal Officers have adopted the current GA maximums and/or ordinance.
